Design may not single-handedly change the world, but it has the power to inspire, provoke thought, and drive meaningful action.

Through visual storytelling, innovation, and problem-solving, design shapes perceptions, influences behaviors, and creates spaces for conversation. It acts as a catalyst for change, sparking new ways of thinking and challenging the status quo.

TABOULI

Leb's quick recipe

INGREDIENTS

- * 1/2 cup of burghul
- * 2 large tomatoes (diced)
- * Salt
- * 1/2 cup extra-virgin olive oil
- * 2 squeezed large lemons
- * 3 bunches of parsley (finely chopped)
- * 1/2 cup finely chopped mint
- * 1/2 cup thinly sliced green onion

DIRECTIONS

1. Soak burghul until soft.
2. Combine diced tomato, chopped parsley, mint and onion in large bowl.
3. In a small bowl, mix 3 tablespoons of lemon, 1 tablespoon of salt and olive oil.
4. Add lemon mix and burghul to the large bowl, and mix the salad.
5. Taste and add more lemon juice and salt as desired.
